

THE FEDERAL GOVERNMENT IS REVIEWING THE TEMPORARY FOREIGN WORKERS PROGRAM (TFWP)

Migrant workers employed under the TFWP put food on our tables, take care of our children and build our communities. The TFWP in its current form violates the basic human and labour rights of migrant workers employed under this program. Across Canada, people are coming together to call for changes that are inclusive and expand migrant worker rights. Please join us to call on the government to implement reforms that emphasize fairness for migrant workers. This means:

MOVE

Join the fight for dignity and permanent status for migrant workers

www.migrantrights.ca

MOBILITY

Migrant workers should not be forced to work for a single employer

VOICE

Migrant workers should get a say. It's time to undo the harm done by the previous government.

EQUALITY

A robust permanent immigration system where migrant workers gets equal treatment.

The Temporary Foreign Worker Review will start on May 11th and end on June 15th. This is a historic moment, and each and every one of us must take action.
