Hamilton Urban Core is a thriving inner city health centre and a leader in the provision of high-quality primary health services and health promotion programs. Our comprehensive health services are delivered through a dynamic team of multidisciplinary, inter-professional health providers. As an inner-city health centre our client populations include individuals and families with chronic and complex health and social conditions, many of whom are living in poverty.

I am writing to support Ontario's Healthcare for All coalition. Thank you for your considerations on this matter. Should you have any questions or concerns, please contact me at [vhuang@hucchc.com](mailto:vhuang@hucchc.com) or 905-522-3233 Ext. 313.
